25X1 7. [redacted] Advised George Murphy, Joint Committee on Atomic Energy staff, that Mr. McCone had left town before we were able to pass on to him the Committee's advice that it was scheduling its nuclear testing hearings on 18 and 19 January, and until we received some guidance from Mr. McCone, we were unable to make any kind of commitment to have an Agency representative participate. (See Journal of 11 January.) We are to advise Murphy as soon as we have some word on this. ✓

25X1 8. [redacted] Miss Mary Miller, on the staff of the Senate Preparedness Subcommittee, called and said that the Subcommittee staff would like to borrow the following films from the Agency: "Crime of Korea", AFER 125 (C7025); "Interview with President Tito", R6815 CBS-TV and "Yugoslavia", AFIF 14. OCR/Graphics is checking on these.
